

Are you male, 65 years or older?

A simple scan can tell you if you have an Abdominal Aortic Aneurysm (AAA)

This is an enlargement of the main blood vessel in the abdomen and if left untreated it can be fatal

FREE 'AAA Screening' is at

Stroud Hospital on

2nd & 3rd Thursday of every month.

If you would like to be screened you need to call

0300 422 4285 to make an appointment and we can

check you have not previously been screened.
